Description

100 Queen Street, Amble, Northumberland, NE65 0DQ

A Rare Mixed-Use Investment & Lifestyle Opportunity in the Heart of Amble

Occupying a prominent double-fronted position just a short stroll from Amble's bustling harbour, this substantial stone-built mixed-use property offers exceptional flexibility for investors, developers, business owners and those seeking a unique coastal home. Combining a spacious former commercial hair salon to the front with generous residential accommodation to the rear and first floor, the property provides approximately 129 sq.m (1,391 sq.ft) of versatile accommodation with significant scope for reconfiguration, subject to the necessary consents.

Previously operating as a successful hairdressing salon, the commercial element (29m² or 313 sq ft) occupies the ground floor frontage with excellent display windows and independent customer entrance, making it suitable for a variety of retail, office, beauty or professional uses.

To the rear, the residential accommodation offers well-proportioned living space including a generous lounge, fitted kitchen and three first floor bedrooms, with the exciting opportunity to combine the commercial and residential accommodation into one substantial family home or luxury holiday property.

The large attic space offers further development potential, subject to planning permission and building regulations, with neighbouring properties having successfully converted similar roof spaces into additional bedrooms. The adjoining property (of similar size) has been transformed into an impressive five-bedroom holiday cottage, demonstrating the excellent potential this property offers.

With Amble continuing to grow as one of Northumberland's most sought-after coastal destinations, the property represents an exciting opportunity to create a substantial holiday home, boutique holiday accommodation, apartments (subject to consent), or retain the commercial premises whilst enjoying spacious residential accommodation.

DEVELOPMENT OPPORTUNITY

DEVELOPMENT POTENTIAL

One of the property's strongest features is its remarkable versatility. Prospective purchasers may wish to:

Continue operating the ground floor as commercial premises with residential accommodation above and to the rear.

Convert the entire building into one substantial coastal residence.

Create a large luxury holiday home similar to neighbouring conversions.

Develop multiple holiday apartments, subject to planning permission.

Convert the extensive loft space to provide additional bedrooms or living accommodation (STPP).

With Amble's thriving tourism market and increasing demand for quality holiday accommodation, the property offers excellent long-term investment potential.
