Description

Location Old Catton is a sought after suburb on the north side of Norwich offering a good range of local amenities with Co-Op, Premier Store and Morrisons in the immediate locality. There are also infant and junior schools within easy walking distance, a medical centre on Lodge Lane together with a pub and a number of fast food outlets as you head towards the city. There are also regular bus services into Norwich and 70 acres of Grade II Listed Catton Park, a fantastic space for leisurely walks and the regular Saturday venue for Park Run and an ideal opportunity to not only improve your fitness and mental well being, but an ideal way to get to know the local community.

Description Probably constructed sometime in the 1800's, 6 George Hill is a mid and one of four, three storey town houses. This particular property is currently empty and does require updating and improvement. On the ground floor there is a spacious sitting/dining room with imposing red brick fireplace and wood burning stove and beyond a kitchen. On the first floor is one bedroom and the family bathroom which has been more recently fitted with a contemporary white suite, with the remaining two bedrooms on the second floor.

At the rear of the house there is a small courtyard garden and within the curtilage a brick and tile outbuilding which would make an ideal studio and includes a separate WC.

This property would make an ideal first time purchase or perhaps investment property.

Disclaimer- There is currently a damp dispute with the neighbouring property.
