Description

Woburn Drive sits within the early part of the Bower Grange development at Bedlington, which means amenities, shops and road links are very easily accessible. In addition, the South East Northumberland Rail Link is well under construction, which once in fruition will offer speedy access into Newcastle City Centre.

The properties within this street are nicely positioned and this home occupies a brilliant plot. Not only does the rear garden benefit from a Southerly aspect but it is also extremely private and enclosed.

A good length driveway allows for ample off road parking and leads to a single attached garage. The front garden is a generous size and laid to lawn with borders of pretty flowers.

Once inside, there is a decent sized living room with a picture window, fitted kitchen, shower room and two bedrooms, both with fitted furniture. Although the property is ready to move into, we feel a buyer may want to make some modifications.

Along with double glazing there is a gas central heating.
