Flat 8, West House is a rare find – a beautifully presented two-bedroom top floor apartment set within a grand and characterful early 20th-century residence in the heart of the iconic coastal village of Bamburgh. Combining period elegance with contemporary comfort, this charming home offers a unique opportunity for those seeking a peaceful retreat, an enviable second home, or a desirable investment in one of Northumberland's most picturesque settings.

West House itself is a distinguished Edwardian villa believed to have been constructed around 1905, showcasing classic Arts and Crafts architectural features such as steeply pitched roofs, decorative gables, and intricate timber detailing. The building has been sympathetically converted into a small number of elegant apartments, with a beautifully maintained communal entrance that retains much of its original grandeur and charm.

Inside, Flat 8 is light-filled and inviting, with stylish décor throughout. The layout, extending to approximately 59 sq.m (630 sq.ft), is both practical and characterful. A central hallway leads to two generous double bedrooms, a well-appointed kitchen, a modern bathroom, and a spacious lounge/diner with dual-aspect windows offering far-reaching views over open countryside. The apartment enjoys a tranquil position on the second floor, providing privacy and a wonderful sense of calm.

To the rear of the property lies a stunning communal garden, thoughtfully landscaped with lawns, mature planting, and a delightful timber summer house. This peaceful outdoor space enjoys panoramic views stretching across the countryside towards Holy Island – a truly breathtaking backdrop that adds to the apartment's unique appeal. Parking is provided to the front via a private driveway, with allocated and visitor spaces available for residents' convenience.

Situated just a short walk from Bamburgh's vibrant village centre, residents have easy access to local cafés, pubs, restaurants, and shops, as well as the magnificent Bamburgh Castle and the region's renowned sandy beaches. With walking trails, wildlife, and coastal views all within reach, this is a location that offers both natural beauty and a strong sense of community.

This delightful apartment encapsulates the charm and character of coastal Northumberland living and is sure to appeal to a wide range of buyers. Early viewing is highly recommended to appreciate its exceptional setting, quality, and lifestyle offering.
