Description

Appealing Cul-de-Sac Home with Garden and Parking

Positioned within a pleasant cul-de-sac in a popular residential area, this two-bedroom terraced home offers an excellent opportunity for a first-time buyer or landlord seeking a well-located property with useful outdoor space and dedicated parking. The setting provides a quieter feel while remaining conveniently placed for local amenities and everyday transport links.

A front garden creates an attractive approach to the property and leads into the entrance porch. From here, the living room provides a comfortable reception space with stairs rising to the first floor. To the rear, the kitchen offers plenty of room for both cooking and dining, with a range of wall, base and drawer units, integrated cooking facilities and a wall-mounted combination boiler. A rear door provides direct access to the enclosed garden.

The first floor provides two bedrooms together with a bathroom fitted with a three-piece white suite. The accommodation offers a straightforward layout with scope for the new owner to personalise the rooms to suit their own requirements.

Outside, the enclosed rear garden provides a pleasant area for relaxing, outdoor dining or enjoying some private space during the warmer months. A separate parking space to the side of the property is another valuable addition, particularly for those looking for convenient off-road parking without compromising the garden.

The property's location adds further appeal, offering a good balance between a residential setting and access to the wider amenities of Norton and surrounding areas. Whether you're taking your first step onto the property ladder or looking for a straightforward investment, this home provides a sound combination of accommodation, outside space and convenience.

Offered for sale with No Onward Chain, the property is ready for its next owner to make it their own.
