Description

This student room is set within a professionally managed development designed exclusively for full-time students. This is an excellent opportunity for investors seeking a low-maintenance, consistently in-demand rental property in a popular student location.

The room offers a bright sleeping/study space and a modern sink and mirror. Residents also benefit from a range of communal facilities, including shower rooms, large kitchens with multiple appliances, a laundry room, and a spacious lounge area with a pool table perfect for socialising, studying, or relaxing.

The development is set within attractive grounds with well-maintained communal gardens and on-site parking (subject to availability). A dedicated management company oversees tenant placement, rent collection, utilities, and internal maintenance, making this a fully managed, hands-off investment option.
