## Description

Being sold via Secure Sale online bidding. Terms & Conditions apply.

Nestled within its own private acre of meticulously manicured gardens, this rare and versatile property presents an unparalleled opportunity for a live-work lifestyle. Concealed behind high walls and secure gates, the estate offers total seclusion while sitting on one of the area's most exclusive residential streets.

Despite its tranquil setting, Workington and all its amenities are just a few minutes' drive away.

The main residence has been thoughtfully divided into three luxurious one-bedroom apartments and a superb two-bedroom cottage.

Each unit is defined by impressive high ceilings and an abundance of period character, with no detail overlooked in the modern fittings and fixtures.

This configuration provides exceptional flexibility, whether for generating rental income, accommodating extended family, or operating a boutique business from home.

Alongside the main house stands a breath-taking detached home that has been reimagined to the highest standards. The Coachhouse to the main house, has potential to be configured into a four-bedroom property, it is now configured as a refined two-bedroom residence where no expense has been spared, not a huge task to create additional bedrooms if necessary. The accommodation is both bright and airy, beginning with an elegant entrance vestibule and a convenient WC. The spacious living room features doors that open directly onto the rear garden, seamlessly blending indoor and outdoor living. The heart of the home is the stunning open-plan living kitchen diner, a light-filled space perfect for entertaining and everyday life.

Upstairs, two generously sized bedrooms are complemented by two beautifully appointed bathrooms.

Externally, the estate is equally impressive. A long driveway and detached garage provide parking for ten or more vehicles.

The approximately one acre of gardens is beautifully landscaped, offering a peaceful oasis with mature planting and manicured lawns.

With its rare combination of luxury living, income potential, and a premium address, this property is a truly exceptional find.
