Spotlight and Pattinson Auctions are delighted to present an exceptional opportunity to acquire a substantial and versatile freehold property situated in a prime position on the iconic High Street of Lyndhurst, the "Capital of the New Forest."

This historic building currently houses the well-known Imperial China Restaurant and offers a unique combination of extensive commercial space and high-value residential accommodation.

The property does need modernisation, but could trade as a restaurant again with minimal investment as is the case with the one bedroom flat. The other areas do need more significant refurbishment.

This characterful property spans multiple levels, offering a turn-key commercial setup on the lower floors with significant residential income potential or owner-occupancy above.

Please note we have not inspected this property.
