Porch

Accessed via a part-glazed UPVC entrance door, the porch provides a practical entrance area with laminate flooring and leads through to the main living accommodation.

Lounge

The lounge is a welcoming living space featuring double-glazed windows to the front and side aspects, allowing natural light to enter the room. The room benefits from a gas central heating radiator, laminate flooring and built-in storage, providing useful space for everyday living and keeping household essentials neatly tucked away.

Kitchen

Positioned to the rear of the property, the kitchen offers a practical layout with a range of wall and base units, complemented by roll-top work surfaces and tiled splashbacks. The kitchen is fitted with a stainless-steel inset sink, drainer and mixer taps, together with an electric oven, four-ring electric hob and extractor hood.

There is plumbing for a washing machine, space for a fridge/freezer and a gas central heating radiator. The combination boiler is also located within this room. Double glazing provides natural light, while a part-glazed UPVC door offers direct access to the enclosed rear courtyard, creating a convenient connection between the indoor and outdoor spaces.

First Floor Landing

The first-floor landing provides access to both bedrooms and the family bathroom. Features include carpeted flooring, built-in storage and loft access, offering additional practical storage potential.

Bedroom One

Bedroom one is a well-proportioned bedroom featuring double-glazed windows to the front and side aspects, providing good natural light. The room also benefits from a gas central heating radiator and laminate flooring, creating a comfortable and versatile space.

Bedroom Two

Bedroom two is another useful bedroom, featuring a double-glazed window to the side aspect, a gas central heating radiator and laminate flooring. The room could also be utilised as a guest bedroom, child's room or home office, depending on individual requirements.

Family Bathroom

The family bathroom is fitted with a white suite comprising a bath with an electric shower over, pedestal wash hand basin and WC. The walls feature cladding, providing a practical finish, while a rear-facing double-glazed window allows natural light and ventilation. A gas central heating radiator completes the room.

Externally

To the rear of the property is an enclosed, walled courtyard offering a low-maintenance outdoor space. The courtyard benefits from gated access to the rear lane, an external water supply and external lighting. This practical outdoor area provides space for outdoor seating, potted plants or everyday use without the upkeep associated with a larger garden.
