FOR SALE BY SECURE ONLINE AUCTION

A generously proportioned spacious three-bedroom apartment offering independent living, private outdoor space and an excellent Bristol location. Some homes simply offer more than you expect and this is one of them.

Accessed via its own private entrance, this well-presented three-bedroom first floor apartment immediately feels different from the typical flat. With generous proportions, excellent natural light and valuable outside space, it delivers an appealing balance of comfort, flexibility and convenience.

Step into the welcoming entrance hall where practical storage keeps everyday life organised before opening into the impressive 14ft x 12ft living room a bright and versatile space equally suited to relaxed evenings and entertaining guests.

The fitted kitchen includes an integrated oven alongside space for freestanding appliances, creating a practical layout for modern living.

The accommodation continues with three bedrooms, including two comfortable doubles and a versatile third room that could work equally well as a nursery, guest room, dressing room or dedicated home office.

The principal bedroom opens directly onto a front balcony, adding welcome outdoor appeal and enhancing the feeling of space throughout.

In addition, the property benefits from a private west-facing roof terrace, a valuable outdoor space ideal for enjoying afternoon sunshine, outdoor dining or simply unwinding at the end of the day. The modern white bathroom suite is complemented by stylish white wall tiling and contrasting grey floor tiles. Fitted with a shower over bath and a window filling the room with natural light.

The property further benefits from gas central heating, double glazing and allocated parking for two vehicles, a rare bonus for apartment living.

Located within BS14, the property enjoys a lifestyle that combines everyday convenience with access to green open spaces. Local amenities are close at hand; open countryside is within easy reach and Bristol City Centre remains easily accessible for commuters.

Offered to the market with no onward chain, this property presents an excellent opportunity for first-time buyers, investors, downsizers or anyone seeking flexible space with outdoor living.

Properties that combine private access, outside space, parking and chain-free availability are increasingly difficult to find.

Early viewing recommended.
