Pattinson Estate Agents proudly present this exceptional stone built terraced house situated on Windsor Terrace in the highly desirable Newbiggin By The Sea. In a prime sea front location overlooking the beautiful bay and promenade with breathtaking views from the Church point at the North to 'The Couple' statue in the East right across to 'The Needles Eye' at the south. This substantial family home is set over three floors and has been very much loved and improved by the current owners. As we anticipate a very high level of interest, early viewings are essential to avoid disappointment.

Newbiggin By The Sea is a charming seaside town with good local amenities, primary school, shops and cafes. There are regular organised events from bands on the Piazza, art exhibitions at the Maritime Centre to the annual kite festival as well as paddle boarding, sea swimming groups and bird watching.

The ground floor begins with an entrance hallway at the front leading into the large lounge with bay window overlooking the sea. Double doors open into the kitchen with central island and log burner. A large utility room leads to the rear of the property.

The first floor boasts a beautiful master bedroom, again with bay window looking over the sea, and a raised en-suite roll top bath. A second double bedroom to the rear and central shower room.

The second floor has been converted into a separate living suite with open plan lounge/bedroom, separate kitchen/diner and shower room. The box bay window to the front has the best views in the house overlooking the sea.

Externally to the front a lawned garden which leads down to the promenade with panoramic sea views to the east. To the rear a generous west facing garden with astro turf, patio and double gates opening for off street parking.

Agents Note The second floor suite has been used by the current owners as a successful holiday let. Details of this are available upon request. The suite can easily be converted back to the original layout to use as bedrooms if required.
