Description

No Onward Chain - Positioned within a pleasant cul-de-sac in this popular residential area, this semi-detached home presents an excellent opportunity for buyers seeking versatile living accommodation, including the added benefit of a ground floor bedroom with ensuite facilities. Offering generous living space, a private rear garden and fantastic potential for modernisation, this is a home perfectly suited to a range of buyers from growing families to those requiring multi-generational living or ground floor accommodation.

Approached via a driveway leading to the garage, the property also enjoys a garden to the front, creating an attractive first impression. Stepping inside, the entrance hall provides access to the first floor and leads through into the spacious living room which flows openly into the dining area, creating a sociable and welcoming environment for everyday living and entertaining alike. The dining space benefits from a useful storage cupboard and French doors opening into the conservatory, allowing natural light to flood the rear of the home while providing an additional reception area overlooking the garden.

Extended to the side, the property now benefits from a versatile ground floor bedroom complete with its own ensuite shower room. This flexible space could equally serve as a third reception room, home office or guest suite depending on individual requirements. To the rear, the kitchen overlooks the generous rear garden and offers excellent scope for further improvement and personalisation.

To the first floor are two well-proportioned bedrooms alongside the family bathroom. Externally, the rear garden offers an excellent outdoor space with plenty of room for families, entertaining or future landscaping potential.
