Exceptional Detached Residence with Substantial Warehouse Premises

Detached Four-Bedroom House | Extensive Two-Storey Warehouse | Triple Garaging | Significant Development & Business Potential

An outstanding and highly versatile freehold opportunity comprising a spacious four-bedroom detached family home alongside a substantial warehouse facility extending to approximately 60ft x 34ft over two floors. Rarely do properties of this nature come to the market, offering an ideal combination of residential accommodation and extensive commercial/storage space suitable for a variety of uses, subject to any necessary consents.

The residential accommodation is well presented throughout and briefly comprises an entrance vestibule leading into a welcoming hallway, a generous lounge with feature fireplace, separate dining room, and a modern fitted kitchen/breakfast room with integrated appliances and ample dining space.

To the first floor are three well-proportioned bedrooms and a spacious contemporary family bathroom featuring a freestanding bath and separate shower enclosure. The second floor hosts an impressive principal bedroom suite with en-suite shower room and elevated views across nearby allotments.

Externally, the property benefits from a front garden, extensive block-paved parking areas to the side and rear, a lawned garden section, and a valuable triple garage complex providing additional storage and vehicle accommodation.

The standout feature of this unique offering is the adjoining warehouse building. Arranged over two floors and currently divided into four substantial sections, the warehouse benefits from light and power throughout, dual staircase access, and further garage facilities including an electric roller door. The space presents exceptional potential for storage, workshops, distribution, light industrial use, creative workspace, or future redevelopment opportunities, subject to planning and regulatory approval.
