Description

Mixed-Use Opportunity | Four-Bedroom Detached Bungalow | Approx. One Acre Plot

A rare opportunity to purchase a spacious four-bedroom detached bungalow with established business potential, occupying an impressive plot of approximately one acre in a peaceful rural setting.

Although the property is primarily residential, the current owners successfully operated a business from the premises after obtaining planning permission from Durham County Council. Thanks to the generous plot, extensive garage and workshop space, and excellent separation between the residential accommodation and commercial area, it is perfectly suited for those looking to run a business from home while keeping work and family life separate.

Originally the village school in the 1800s, the property has been sympathetically converted into a spacious family home that blends character with modern living.

The accommodation includes four generous double bedrooms, including a principal bedroom with en-suite, a four-piece family bathroom, separate WC, a spacious lounge with feature fireplace, two further reception rooms, and a fitted kitchen with dining area.

Externally, the property benefits from extensive off-road parking to both the front and rear, lawned gardens, and a large detached workshop/garage, providing excellent flexibility for a variety of uses.

The commercial space offers excellent potential for a range of businesses, subject to any necessary consents, including a fitness studio, gym, art studio, beauty or nail salon, office, or workshop. The generous parking facilities make the property particularly well suited to businesses welcoming visiting clients.

Offering a unique combination of spacious family living and commercial potential, this exceptional mixed-use property presents an ideal opportunity for buyers looking to live and work from the same location.

Viewing is highly recommended to fully appreciate the space, versatility and potential on offer.
