This well presented two bedroom ground floor garden flat offers approximately 916 sq ft of accommodation, together with off-street parking, shared use of a basement, a private 51ft rear garden and a detached garden office.

Well balanced and larger than many comparable properties, the flat offers a practical layout with a good sense of space throughout. To the front is a reception room with bespoke cabinetry, plantation shutters and a feature fireplace, while to the rear the 20ft kitchen/dining room benefits from a large skylight and opens directly onto the garden.

There are two well proportioned bedrooms and a contemporary bathroom.

The private rear garden extends to approximately 51ft and has been landscaped with a paved terrace and lawn, while the detached garden office provides valuable additional space for home working, a gym or a studio.

Knollys Road is conveniently located for excellent transport links into Central London, with a wide range of cafés, restaurants and local amenities nearby. The property is equidistant from both West Norwood and Tulse Hill stations, with services to London Bridge in as little as 17 minutes, while nearby Streatham Hill provides direct links to Clapham Junction in around 8 minutes and Victoria in approximately 15 minutes.
