Description

A modern one-bedroom ground floor apartment in the popular village of Marchwood, offering open-plan living, allocated parking and a garage with connected electricity. Ideally located close to Southampton and the New Forest, making it perfect for first-time buyers, downsizers or investors.

Positioned on the ground floor of a well-maintained development, this one-bedroom apartment combines modern living with the convenience of a sought-after village location. Thoughtfully arranged throughout, the property offers a bright open-plan kitchen and living space, creating a comfortable setting for both everyday life and entertaining.

The kitchen is fitted with an electric oven, electric hob, integrated fridge/freezer and washing machine, with practical storage and laminate worktops complementing the contemporary finish. Natural light fills the living area, creating an open yet cosy atmosphere, while views across the communal gardens add to the sense of space.

The double bedroom enjoys a peaceful outlook towards the rear of the development and provides a warm, comfortable retreat at the end of the day. The modern bathroom is fitted with a white suite incorporating a bath with shower over, contemporary tiling and natural light from the window.

Practical benefits include a gas combi boiler installed approximately three years ago, fibre broadband with speeds of up to 900 Mbps, a smart thermostat, allocated parking, a garage and additional parking for residents and visitors. The property also benefits from a 90-year lease, no service charge and an annual ground rent of £125.

Marchwood continues to be a popular choice for buyers seeking a quieter pace of life without sacrificing convenience. Local shops, cafés and everyday amenities are all within easy reach, while nearby shoreline walks, nature reserves and the New Forest provide excellent opportunities to enjoy the outdoors.
