Description

Positioned in the heart of the ever-popular village of New Waltham this delightful end-terrace home is set well back from the road, enjoying a pleasant open aspect with a green area to the front. Deceptively spacious and attractively presented throughout.

The property offers excellent living accommodation, including two generous reception rooms and a bright sunroom extension that adds valuable extra space. The kitchen is fitted with smart Oak units, offering a warm and traditional style. A real bonus is the presence of two bathrooms – a stylish ground floor shower room and a large first floor bathroom with an attractive three-piece suite. The first floor bathroom was formerly a third bedroom and could easily be reconfigured back into a bedroom if required, offering future flexibility. Upstairs you'll find two large double bedrooms, while outside there's a low-maintenance rear garden ideal for relaxing or entertaining. The home also benefits from uPVC double glazing and gas-fired central heating. Ideally located within walking distance of local shops and amenities, the property is also in the catchment area for highly regarded primary and secondary schools—making it a brilliant choice for families, first-time buyers or downsizers alike.
