This 18th-century cottage combines charming period character with stylish modern touches, situated in a peaceful position in the heart of Cranbrook. Exposed timber beams, vaulted ceilings and traditional features are complemented by a contemporary fitted kitchen and modern bathroom, creating a home full of character with all the comforts of modern living. With the High Street and its excellent range of amenities just moments away, there is little need for a garden, making this an ideal town-centre home.

The first floor offers two double bedrooms, with the principal bedroom being particularly generous in size and featuring an impressive vaulted ceiling. The family bathroom is equally characterful, with exposed timber beams, a vaulted ceiling and roof light, creating a light and atmospheric space.

Downstairs, the open-plan living room and kitchen/dining area provide a wonderful sense of space and are perfectly suited to both everyday living and entertaining. The modern fitted kitchen sits comfortably alongside the cottage's period features, while exposed timber beams continue throughout. A useful home office area is cleverly positioned beneath the stairs. The property comes fully fitted with Banham security.
