Description

Versatile 4-bed family home with HMO potential, town centre location, no chain, council parking S4 zone.

Being sold via Secure Sale online bidding. Terms and conditions apply.

Pattinson Auction are pleased to present to the market this spacious and versatile property, set in an ideal location for the town centre and local amenities. Offering a variety of uses, the property — which has been a four-bedroom HMO in the past — could be extended to a six-bedroom HMO, used as a family home, or, subject to the relevant planning, converted into flats. There is a boiler compliance certificate for the property, as well as a valid CP12 and EICR documents, should any buyer be interested in reviewing these with both the roof and windows also having been replaced recently to help with peace of mind.

Once inside, you start to appreciate the space on offer, with the accommodation set over four floors, providing plenty of room and potential. On both the ground and first floors are two double bedrooms or reception rooms, depending on how the new owner wishes to configure the space. The lower ground floor boasts a large kitchen and breakfast room with a separate dining room or lounge. The loft room has the potential to be the largest room in the property if extended with a rear roof dormer under permitted development. The property does also feature fire doors and integrated Fire alarms as well as emergency lighting throughout to assist with any potential development opportunities any savvy buyer might wish to explore.

Externally, there is side pedestrian access to the large rear garden, along with a small frontage for bin storage.
