Description

Pattinson Estate Agents are delighted to welcome to the market WITH NO UPPER CHAIN! this beautifully presented split level detached home on the highly sought after Whittingham Close, Ashington. Finished to a high standard throughout, the property has been thoughtfully reconfigured over the years to create spacious and practical living accommodation, while enjoying woodland and riverside walks directly from the gate at the bottom of the rear garden.

The lower level has been redesigned to provide a superb open plan kitchen and dining space, created by opening up the original kitchen, dining room and utility room into one large family area. The lounge has also been opened into the conservatory, creating an impressive living space with a bright bay seating area overlooking the garden. A cloakroom and separate WC complete this floor.

The main entrance is situated on the middle level, offering access to both the upper and lower floors, the integral double garage and a versatile fourth bedroom or home office.

The upper floor has also been reconfigured from its original layout to create a larger principal bedroom with an extensive dressing area, modern en-suite shower room and balcony enjoying views towards the surrounding woodland and river. There are two further double bedrooms and a contemporary family bathroom.

Externally, the property occupies a generous plot with a double driveway, open plan front garden and a well established rear garden featuring mature trees, shrubs and planting, together with a side garden offering additional outdoor space.

A rare opportunity to purchase a Freehold home in one of Ashington's most desirable locations, offering spacious accommodation, quality finishes and excellent access to scenic countryside walks.
