Description

This substantial five bedroom detached property on Morjon Drive, B43 6JH presents an exceptional opportunity for investors, developers, and ambitious renovators looking for their next project.

Requiring complete renovation throughout, this property offers the perfect blank canvas to transform a spacious detached house into an impressive family home or a rewarding investment. The accommodation comprises two generous reception rooms, a kitchen, a downstairs WC, and a useful storage cupboard on the ground floor. Upstairs, there are four well-proportioned bedrooms and a family bathroom, providing excellent scope to redesign and modernise to suit today's market.

Outside, the property benefits from two garages, although one garage requires significant attention due to the roof being missing. The house is in poor condition and will require extensive refurbishment, making it ideally suited to cash buyers, developers, or experienced investors seeking a project with genuine potential.

Properties of this size and type rarely come to market with such an opportunity to add value. Whether you're looking to renovate and resell, create a long term rental investment, or design your dream family home, this is a chance not to be missed.

Viewing is highly recommended to fully appreciate the size, layout, and exciting potential this property has to offer.
