Description

Rare Mixed-Use Investment Opportunity – Prime Hexham Location

A fantastic opportunity has arisen to acquire this substantial mixed-use investment property, ideally situated within walking distance of Hexham town centre and its excellent range of shops, restaurants, transport links and local amenities.

The property comprises two ground floor commercial units, both currently let to established tenants, together with a vacant first-floor maisonette, offering an excellent opportunity for an owner-occupier or to generate additional rental income. The property currently produces approximately £18,000 per annum, with further scope to increase the overall yield once the residential accommodation is occupied.

The spacious maisonette is accessed via its own private entrance and briefly comprises a bright and spacious open-plan living, dining and kitchen area, a family bathroom, and a versatile reception room/bedroom. To the second floor is a substantial loft-style room spanning the full width of the property, providing an excellent additional bedroom or flexible living space.

This is an ideal purchase for investors seeking an established income-producing asset with future growth potential, benefiting from a prominent location in one of Northumberland's most desirable market towns. Early viewing is highly recommended to fully appreciate the opportunity on offer.
