Description

Outwoods House is an exceptional Grade II listed 18th Century residence, discreetly positioned within a quiet cul de sac on the outskirts of one of south Leicestershire's most desirable villages. Set behind a sweeping circular driveway and surrounded by 0.53 acres of mature, south facing gardens, this distinguished home offers over 5,000 sq ft of accommodation and a rare opportunity for a buyer to modernise and create a truly remarkable family home.

The property retains a wealth of period features, including striking fireplaces, oak panelling, exposed timbers and original doors, all contributing to its timeless character and charm. The ground floor provides three impressive reception rooms - a morning room, formal dining room and elegant drawing room - alongside a kitchen/breakfast room, utility room and a useful cellar.

A standout feature of Outwoods House is the modern leisure complex positioned at the rear of the property. Designed for entertaining and relaxation, it includes a heated 15m swimming pool, bar, seating area, shower room and WC, with a spiral staircase leading to a first floor gym.

Across the upper two floors are six generous double bedrooms, two of which benefit from ensuite shower rooms, complemented by a spacious family bathroom. The home's proportions and layout offer excellent versatility for family living.

Externally, the property enjoys extensive private gardens, gated access to additional parking, and a double garage. Offered for sale with no onward chain, Outwoods House presents a convenient and attractive opportunity for a proactive purchaser seeking a substantial period home with exceptional potential.
