Living Room

4.10m x 3.10m (13'5" x 10'2")

The standout feature is the light wood herringbone-pattern floor. The walls are painted a warm off-white or light cream, creating a bright and neutral backdrop. At the far end is a medium-sized window that lets in plenty of natural light. A white radiator sits directly beneath the window, a common placement. There are several electrical outlets and what appears to be a TV/data connection on the left wall, suggesting that wall may have been intended for a television or media setup.

Kitchen/Diner

4.00m x 2.90m (13'1" x 9'6")

The room combines a kitchen area with space for dining, making it well suited for everyday family living and entertaining. The layout is open and practical, with the kitchen arranged in an L-shape along two walls and an open area for a dining table. The kitchen features gloss white, handleless-style cabinets, giving it a clean, minimalist appearance. White worktops and matching splashbacks create a bright, cohesive look.

Integrated appliances include:

A built-in stainless steel oven

A four-burner gas hob

A stainless steel extractor hood

A stainless steel sink is positioned beneath a window overlooking the garden, providing natural light while washing up.

Additional photo Kitchen / Dining area
