Description

No Upper Chain | Semi-Rural Village Location | Countryside Views | Beautifully Presented Throughout | Excellent Future Potential

Pattinson Estate Agents are delighted to offer to the sales market this charming two-bedroom terraced home, nestled within the picturesque village of Hesleden. Offered with no upper chain, this beautifully maintained property combines traditional character with tasteful modern upgrades, making it an ideal purchase for first-time buyers, downsizers or investors seeking a ready-to-move-into home in a peaceful semi-rural setting.

The accommodation briefly comprises a welcoming entrance hallway leading into a bright and spacious lounge, followed by a generously sized kitchen/diner, providing the perfect space for everyday family living and entertaining. The recently refitted kitchen has been finished to a high standard, featuring solid hardwood worktops, a traditional Belfast sink, quality cabinetry and ample worktop and storage space.

Leading directly from the kitchen is a versatile lean-to garden room, ideal for enjoying a morning coffee, housing utilities or providing additional storage. Beyond this is a private enclosed rear yard with a further attached storage room, offering excellent secure storage and convenient rear lane access with street parking available.

To the first floor are two generous double bedrooms, both beautifully presented with classic décor and flooded with natural light. The family bathroom is fitted with a white three-piece suite comprising a panelled bath, wash hand basin and low-level WC.

Externally, the property boasts a large, established front garden enjoying attractive open countryside views, providing a peaceful setting to relax and enjoy the surrounding village landscape. To the rear is a private enclosed yard with two useful storage areas, creating a practical and low-maintenance outdoor space.

A particularly attractive feature of this home is the excellent scope for future improvement. Subject to any necessary permissions and approvals, there is potential to reconfigure the existing layout to create a third bedroom, while the generous front garden could be adapted to provide off-street driveway parking, further enhancing both convenience and future value.

Further benefits include refitted double glazed windows, with exceptionally well-maintained accommodation throughout.

Situated within the heart of this popular semi-rural village, the property offers the perfect balance of countryside living whilst remaining within easy reach of Peterlee, Hartlepool, the A19 and a range of local amenities.

Early viewing is highly recommended to fully appreciate the quality, character, potential and idyllic setting this delightful home has to offer.
