Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply.

This attractive three bedroom bay windowed Victorian terraced home presents an excellent opportunity for buyers seeking a property with significant potential in the heart of the highly sought after Ecclesall area (S11). Available to the market with no upward chain and vacant possession upon completion, this house is ideal for first time buyers, professional couples or young families looking to create their perfect home.

The property is in need of some general cosmetic updating, offering a blank canvas for those wishing to add value and design a personalised finish to match their own tastes and standards. The accommodation is well proportioned throughout, spanning three floors, featuring a spacious bay fronted lounge that enjoys plenty of natural light, a separate dining room perfect for entertaining or family meals, and a fitted kitchen with ample storage and workspace. Upstairs, there are three bedrooms (two of which are generously sized doubles) and a family bathroom.

The house falls within the catchment area for highly regarded local schools including Greystones Junior and High Storrs Secondary, making it a particularly appealing choice for families. The location is second to none, with the fashionable districts of Banner Cross and Sharrow Vale just a short stroll away, offering a vibrant selection of independent cafes, eateries and shops. Principal hospitals, universities and the scenic Peak District are also within easy reach, ensuring convenience for both work and leisure. Endcliffe Park and the picturesque Porter Valley are nearby.

The property is offered as a leasehold, falls within Council Tax Band B and has an EPC rating of D.

With plenty of scope to modernise and add future value, this charming Victorian terrace represents a rare opportunity to secure a home in one of Sheffield's most desirable neighbourhoods. Early viewing is highly recommended to fully appreciate the potential on offer.

We have been notified that there is potential wood-worm at the property. Buyers are advised to carry out their own due-diligence
