Description

For sale via secure sale online bidding - terms and conditions apply.

An excellent development opportunity to acquire substantial upper-floor commercial premises situated in a prominent High Street location in the heart of Stockton-on-Tees.

The property is Grade II Listed and comprises accommodation positioned above two ground-floor retail units, which are not included in the sale. The interest being offered is leasehold and prospective purchasers should refer to the legal pack for full details of the lease, title and extent of the property being sold.

The accommodation is currently in need of a comprehensive programme of renovation and refurbishment throughout, presenting an opportunity for an investor or developer to restore and repurpose this characterful listed building.

We are advised there was previously a planning permission application for conversion into self-contained residential accommodation, with schemes providing for either five or seven self-contained flats. This offers considerable potential for residential redevelopment, subject to the terms and current status of the relevant planning and listed building consents. We are advised this application was withdrawn due to a change in the owners circumstances. Buyers should make their own enquiries with the local planning authority and satisfy themselves regarding all permissions prior to bidding.

Given the property's listed status, purchasers should be aware that renovation and alteration works may require Listed Building Consent and will need to be undertaken with appropriate regard to the building's historic character.

Located on High Street, Stockton-on-Tees, the property occupies a central position with convenient access to local shops, amenities and transport connections.

Important Information: Prospective purchasers are advised to inspect the legal pack and satisfy themselves as to the exact extent of the leasehold title, lease terms, planning permission, Listed Building Consent requirements and the current validity and conditions of all relevant consents before bidding.
