Description

Offered for sale by auction (conditions apply) and with the added benefit of no onward chain, this three-bedroom semi-detached house presents a rare opportunity to acquire a home in a premier residential location.

The property requires refurbishment, making it an ideal project for those seeking to create a bespoke family residence or investment opportunity.

The ground floor comprises a welcoming entrance hall, a spacious main reception room, and a separate dining area, both enjoying natural light from large windows. The kitchen is positioned to the rear, offering scope for extension or redesign (subject to the necessary consents). Upstairs, there are three well-proportioned bedrooms and a family bathroom. The layout provides flexibility for modern family living and the potential to reconfigure the accommodation to suit individual requirements.

The property is set back from the road behind a clipped hedge, with a neat lawn creating a pleasant approach. A side driveway provides generous off-road parking and leads to a detached brick garage, offering secure storage or workshop space. The long rear garden is divided by a mature shrub screen, providing distinct areas for relaxation and recreation. While the front section of the garden is manageable and laid mainly to lawn, the rear section is currently unkempt and overgrown, presenting an excellent opportunity for landscaping and outdoor improvement. This outdoor space is ideal for those who wish to design their own garden retreat or create a safe play area for children. With its substantial plot and scope for enhancement, the property offers significant potential for buyers looking to add value in a highly sought-after location.
