Ground Floor

A timber front door opens into a bright, open-plan lounge and dining area, creating a spacious and welcoming living space. A double-glazed multi-pane window to the front enjoys attractive brook views and fills the room with natural light. A built-in cupboard houses utility meters and provides useful storage. The lounge features a charming fireplace with an exposed brick chimney breast and hearth, forming an attractive focal point, while a staircase rises to the first floor.

The adjoining kitchen is fitted with a range of wall and base units with practical work surfaces. Features include a stainless steel one-and-a-half bowl sink with mixer tap, plumbing for a washing machine and dishwasher, tiled splashbacks, and ceramic tiled flooring. Integrated appliances comprise a stainless steel gas hob with extractor hood, plus an electric oven and grill. A double-glazed side window provides natural light, while a glazed timber door gives access to the side and rear gardens.

First & Second Floor

The first floor accommodation comprises a generous principal bedroom featuring laminate flooring, a double-glazed multi-pane window to the front elevation with views towards the brook, and a walk-in closet providing ample storage and dressing space.

Also on this level is a spacious family bathroom fitted with a contemporary white suite comprising a bath with shower over, pedestal wash hand basin, and low-level WC. The bathroom benefits from stripped timber flooring, an airing cupboard, and a large double-glazed window overlooking the park, allowing for plenty of natural light while enjoying pleasant green views.

The second floor provides two further well-proportioned bedrooms. Bedroom Two enjoys a double-glazed multi-pane window to the front elevation and is finished with fitted carpeting. Bedroom Three features a Velux-style roof window to the rear elevation, allowing natural light to flood the space, together with useful built-in storage.

Outside

To the rear of the property is a courtyard-style garden, mainly paved for ease of maintenance, with an outside tap and timber shed which boasts insulation and has an electricity connection, shelves and a desk, making it a perfect work from home space. The garden is enclosed by wall boundaries and benefits from a gateway providing rear access.

Location

The property is situated in the popular town of Syston, ideally positioned to the north of Leicester and offering excellent transport links to Leicester city centre, as well as the nearby market towns of Loughborough and Melton Mowbray.

Syston offers a wide range of local amenities, including shops, supermarkets, cafés, restaurants, a library, churches, and well-regarded schools. The town also benefits from excellent public transport connections, including a railway station with services to Leicester and beyond.
