Description

Three-bedroom, semi detached home in a convenient location requiring full refurbishment. Being sold via Secure Sale online bidding. Terms & Conditions apply.

Situated on an elevated corner plot, this three-bedroom home offers an excellent opportunity for buyers looking for a renovation project with plenty of scope for improvement and the potential to create a home tailored to their own requirements.

The property benefits from parking for two vehicles, together with a generous paved front garden and stepped access to the entrance. The accommodation is well proportioned and provides a practical layout, with further outdoor space to the side and rear.

The property is double glazed throughout and is entered via a UPVC front door into an entrance hall, with stairs rising to the first floor and access to the ground floor accommodation.

The spacious lounge is positioned to the front of the property and features a gas fire with brick-built mantelpiece, and shelving to either side. An under-stairs storage cupboard provides additional practical storage.

To the rear, the kitchen spans the full width of the property and benefits from access to the garden via a side UPVC door. The generous footprint provides plenty of scope for a new kitchen to be designed and installed to suit the purchaser's requirements.

Upstairs, there are three good-sized bedrooms, together with a family bathroom. The accommodation offers a versatile layout and provides an opportunity for the successful purchaser to modernise and improve the property throughout.

Outside, the property continues to offer good potential. The side garden provides space for a shed and benefits from gated access, while the rear garden is enclosed by fenced boundaries and provides further outdoor space.
