Description

This delightful semi-detached house sits on a brilliant plot within Roslin Park. Overlooking a green to the front and with a substantial private garden at the rear, boasting an abundance of sky and daylight.

Inside, the home has been modernised, offering ready-to-move-into accommodation to suit a range of buyers, in particular a first-time-buyer or someone who is looking to down-size purchase.

It proudly offers an attractive dual aspect living room, with sliding doors leading into the rear garden and a large bay window to the front - the room basks in sunlight. The kitchen has been upgraded in recent years, offering a modern range of units and integrated appliances. A good-sized utility room proves useful, however the space could lend itself to a range of uses: home work station, gym, playroom or just additional storage.

The first floor is well-proportioned with two double bedrooms, both with storage. A modern shower room completes the upper level.

Each room in the house blends comfortable modern living.

Schools, local shops and amenities are all within easy distance and the Bedlington Train Station running on the South East Northumberland Rail Link is nearby too.

A smashing home! Please call our local sales team today to set up a viewing.
