Description

Tenant in situ investment opportunity for sale by auction

A fantastic opportunity for landlords and investors to acquire an established tenanted investment in a highly convenient central Gillingham location.

Situated on Gardiner Street, the 4 Bedroom property is ideally positioned within easy reach of Gillingham town centre and mainline railway station, offering direct connections to London St Pancras International and London Victoria.

The location is particularly well suited to the rental market, with Medway Maritime Hospital - one of the area's largest employers - nearby, together with local shops, amenities, education facilities and the open spaces of Great Lines Heritage Park.

Offered for sale with the existing tenant in situ, the 4 Bedroom property presents an excellent opportunity for investors seeking a ready-made addition to their portfolio in an established Medway rental location.

Viewings are arranged and conducted through ourselves.

The property is offered for sale by auction, conducted by Pattinson Auction. Prospective purchasers should refer to the legal pack and existing tenancy documentation prior to bidding.

An attractive investment opportunity combining an established tenancy with excellent transport links, major local employment and town-centre convenience.
