Description

Rarely available, this fantastic family home is situated on this highly sought after estate on the outskirts of Low Fell, offering generous and versatile family accommodation.

The property has been extended to the rear, creating a larger dining room, useful utility room and an impressive tandem garage extending to over 30 feet. Further features include UPVC double glazing, gas central heating, a bathroom, separate shower room, a WC with wash basin and built in cupboard plus an extensive rear garden.

The location is ideal for commuters, with easy access to the A1 providing excellent road links, while regular bus services offer convenient connections to Newcastle, Gateshead, Durham and Chester-le-Street.

The accommodation comprises a generous entrance hallway, lounge, dining room, kitchen, utility room and downstairs WC. To the first floor there are three bedrooms, a bathroom with separate WC and an additional shower room.

Externally, there is a driveway and front garden leading to the tandem garage. To the rear is a large, well established garden featuring patio areas, lawn, mature borders and a variety of fruit trees.

This is a rare opportunity to acquire a substantial family home in a popular location, and we anticipate strong interest. Early viewing is strongly recommended.
