Description

Five Bedroom Family Home | Two En-Suites | Substantial Rear Garden | Garage & Driveway | Fantastic Views To Open Fields

Pattinson Estate Agents are delighted to welcome to the market this impressive modern family home, situated within a residential development in the popular coastal town of Amble. Offering generous accommodation, a contemporary finish throughout and a particularly substantial enclosed rear garden, this is a property that combines comfortable family living with plenty of practical space.

The property is beautifully presented, with neutral décor, modern fixtures and fittings and well-proportioned rooms. A particular attraction is the generous rear garden, which provides an excellent outdoor space for families, entertaining and enjoying the warmer months.

The ground-floor accommodation includes a spacious lounge with two windows providing plenty of natural light and attractive views towards the surrounding greenery. The kitchen and dining accommodation offers a practical space for everyday family life, with French doors providing direct access to the rear garden. A Utility room and convenient ground-floor WC adds to the functionality of the home.

To the first floor, a particularly spacious landing provides access to five well-proportioned bedrooms and the family bathroom. The generous Master bedroom benefits from its own en-suite bathroom while the second bedroom also enjoys the convenience of a private en-suite, making the accommodation particularly well suited to larger families or visiting guests. The remaining three bedrooms provide excellent flexibility for children, guests or home working.

The family bathroom is fitted with a modern suite incorporating a panelled bath, complemented by marble-effect tiling and contemporary finishes.

With five bedrooms, two en-suites, a family bathroom and a ground-floor WC, the property offers an excellent balance of space, comfort and practicality for modern family living.

Externally, the rear garden is undoubtedly one of the property's standout features. Considerably larger than many gardens associated with modern developments, it is predominantly laid to lawn, with established boundary fencing, young planting and paved areas adjoining the house. The generous proportions provide excellent scope for outdoor dining, children's play equipment and further landscaping to suit individual preferences.

To the front, the property benefits from a neatly maintained lawn, an established driveway providing off-street parking and a double garage.

Amble is a popular Northumberland coastal town, offering a range of independent shops, cafés, restaurants and everyday amenities, together with its harbour and access to the surrounding coastline.

With its generous internal accommodation, modern presentation, substantial garden and practical parking arrangements, this is an excellent opportunity to acquire a well-appointed family home in a desirable coastal location.

Early viewing is highly recommended to appreciate the space and accommodation on offer.
