Description

For sale via secure sale online bidding - terms and conditions apply.

Pattinson Estate Agents are pleased to offer for sale via online auction this substantial mixed-use property situated on Grange Road, Middlesbrough, comprising a ground-floor commercial unit together with two refurbished two-bedroom flats above.

The ground floor is currently arranged and operating as a bakery, providing a versatile commercial space which could suit a variety of businesses and uses, subject to any necessary consents. The existing bakery business is not included within the sale and the commercial premises will be sold with vacant possession, giving the successful purchaser the opportunity to occupy, re-let or repurpose the accommodation.

Above the commercial premises are two separate two-bedroom flats, both of which have undergone refurbishment and will also be sold vacant. The residential accommodation provides an excellent opportunity for an investor to immediately seek tenants following completion, or potentially explore alternative letting strategies subject to the relevant regulations and consents.

The combination of commercial and residential accommodation makes this an attractive proposition for investors looking for multiple potential income streams from a single freehold investment, while the vacant possession throughout provides flexibility for the incoming purchaser.

Early viewing is recommended to fully appreciate the size, condition and investment potential on offer.

Please note: The property is being sold via online auction. Prospective purchasers should review the legal pack and satisfy themselves regarding the planning/use classification, leases/title arrangements, services and suitability of the property for their intended use prior to bidding.
