Pattinson Auction in partnership with Belvoir are pleased to present this neutrally decorated two-bedroom semi-detached house, offered for sale via auction in Cambridge.

The property provides a practical layout with two reception rooms, one kitchen and one bathroom, complemented by an EPC rating of C and Council Tax Band C.

The ground floor offers two separate reception rooms, suitable for use as a living area and dining or home office space, alongside a functional kitchen. Upstairs, two bedrooms provide comfortable sleeping accommodation, supported by a bathroom.

The property would benefit from some modernisation, providing an opportunity for the new owner to update and improve the accommodation to their own taste and requirements.

Situated in Cambridge, the property benefits from access to the city's wide range of amenities, including shops, cafés, restaurants and cultural venues in and around the historic centre. Nearby green spaces such as Jesus Green, Midsummer Common and the riverside paths along the Cam are within convenient reach by bike or car, offering opportunities for walking, running and cycling.

Public transport links in Cambridge are well developed. Cambridge railway station provides regular services to London King's Cross and London Liverpool Street, as well as routes to Ely, King's Lynn and Birmingham. Cambridge North station also offers fast connections towards London and the wider region. Local bus services operate across the city, linking residential areas with the city centre, science parks and railway stations.

The road network includes access to the A14 and M11, connecting Cambridge with Huntingdon, the Midlands, Stansted Airport and London. A good selection of schools, colleges and university facilities are available across the city, making this two-bedroom semi-detached house a practical option for a range of buyers.
