Description

Pattinson Estate Agents are delighted to welcome to the market this well-presented three-bedroom end-terraced property, ideally positioned on Cooperative Terrace in the popular residential area of Palmersville.

Offering spacious and versatile accommodation across two floors, the property would make an excellent home for first-time buyers, growing families or anyone seeking a conveniently located property with the added benefit of off-street parking.

Upon entering, a small entrance porch opens into the generously sized living room, which features a striking geometric feature wall, wood-effect flooring, a feature fireplace and ample space for a range of seating. The living room leads through to the modern kitchen/dining room, fitted with a range of white wall and base units, contrasting work surfaces and integrated cooking appliances. There is also space for a dining table and chairs, while the rear door provides direct access to the garden and parking area.

To the first floor are three bedrooms and the family bathroom. The spacious main bedroom benefits from an extensive open wardrobe and storage arrangement, while the second bedroom accommodates a large mirrored wardrobe and dressing table. The third bedroom is currently arranged as a home office, making it ideal for anyone working from home, but it could also be utilised as a nursery or single bedroom. The bathroom is fitted with a white three-piece suite, including a bath with an electric shower and glass screen above.

Externally, the property has a low-maintenance frontage with gated access. To the rear is a paved and decked garden with a useful storage shed, together with double-gated access from the rear street. A dropped kerb provides access to the off-street parking area.

The property also benefits from gas central heating and uPVC double glazing. The boiler was replaced in March and is less than one year old, offering additional reassurance to the new owner.
