This unique apartment forms part of an impressive Gothic Revival building, originally a Victorian convent, now a prestigious residential development in Bartestree. Brimming with charm and history, the property offers expansive interiors featuring soaring ceilings, exposed timber beams, and arched detailing, blending original architectural features with practical modern touches. Located within beautifully maintained communal grounds all just a short drive from Hereford city centre, while enjoying a peaceful village setting with local amenities close by.

The convent was founded in 1863 by Robert Biddulph Phillips of Longworth to ensure his daughter's happiness as a new member of a small order of French nuns, the Sisters of Our Lady of Charity and Refuge. It was designed by E.W. Pugin in the Gothic Revival style of red brick with limestone detail, for which he and his father A.W.N. Pugin, co-designer of the Palace of Westminster, were both renowned.

The Property

Entrance Hall: A remarkable entrance space that sets the tone for this distinctive home, featuring original Gothic archways, high ceilings, and a sense of grandeur. This versatile area could be utilised as a reading nook or home office, with ample natural light filtering through large period windows. Two large closets provides useful storage, while the entire hall is laid in hardwearing Karndean flooring.

Sitting/Dining Room: A stunning, large reception room boasting vaulted ceilings with exposed beams and dual windows. This impressive space is perfect for both relaxing and entertaining, offering flexible layout options and a unique backdrop of historic character.

Kitchen: The separate kitchen is well appointed with a range of wood fronted shaker cabinets, complementary worktops, and tiled splashbacks. Integrated AEG appliances include a gas hob with stainless steel splashback and extractor, fan oven, microwave, fridge/freezer, dishwasher and stainless-steel sink & a half with drainer. A large sash window offers elevated views across the central courtyard.

Bedroom 1 with Ensuite: A generous double bedroom with vaulted ceiling and exposed beams, continuing the characterful theme. The room includes direct access to a private ensuite shower room, fitted with a thermostatic shower enclosure, pedestal basin, WC and chrome heated towel rail.

Bedroom 2: A comfortable second double bedroom, ideal as a guest room or study, with a tall sash window providing excellent natural light.

Bathroom: A second bathroom serves the property, fitted with a full-length bath with overhead shower and glass screen, pedestal basin, WC, and large splashback wall tiles.

Outside

The apartment is set within beautifully landscaped communal grounds that reflect the grandeur of the original convent building, offering manicured lawns, mature planting, and seating areas to enjoy the surroundings. An allocated parking space is provided, with additional visitor parking also available.
