Description

Being sold via Secure Sale online bidding. Terms & Conditions apply.

This property will be legally prepared enabling any interested buyer to secure the property immediately once their bid/offer has been accepted. Ultimately a transparent process which provides speed, security and certainty for all parties.

An excellent opportunity to acquire a three-bedroom semi-detached family home offered with no upward chain and situated in a popular residential location in Harborne. The property offers well-proportioned accommodation, a substantial rear garden and genuine potential for improvement and further extension, making it an appealing purchase for buyers looking for a home they can make their own.

The ground floor has been extended to the rear to create a particularly generous lounge/diner, providing a versatile space for both everyday family living and entertaining. The property also benefits from a separate kitchen, entrance hall and integral garage, while the first floor provides three bedrooms together with a family bathroom and separate WC.

The house is clean and tidy throughout and, although it would benefit from some cosmetic refurbishment and modernisation, it is perfectly habitable and can be moved straight into. This provides the new owner with the flexibility to carry out improvements at their own pace, rather than taking on a property requiring significant structural work from day one.

The advertised price is commonly referred to as a ‘Starting Bid’ or ‘Guide Price’ and is accompanied by a ‘Reserve Price’. The ‘Reserve Price’ is confidential to the seller and the auctioneer and will typically be within a range above or below 10% of the ‘Guide Price’ / ‘Starting Bid’. These prices are subject to change.

A particular highlight is the very large rear garden, which offers an excellent amount of outdoor space and considerable potential. In addition to providing a fantastic garden for families and entertaining, the size of the plot could offer the opportunity for further extension to the rear, subject to the necessary planning permissions and consents.

Overall, this is a great-value three-bedroom semi-detached home offering an exciting combination of existing space and future potential. With the rear already extended, a generous garden and scope for cosmetic improvement and possible further enlargement, the property represents an excellent opportunity for a buyer to add value and create a home tailored to their own tastes and requirements.
