Set within the established residential cul-de-sac of Longstone Close, this substantial four-bedroom detached bungalow is believed to be one of the largest within the development, offering an impressive amount of single-storey accommodation in the sought-after coastal village of Beadnell.

With approximately 1,527 sq ft (142 sq m) of internal space, this is a home where the generous proportions really stand out. At the heart of the bungalow are two excellent reception rooms: a spacious lounge with wood-burning stove and a superb second reception room measuring approximately 18'8" x 18'5". Whether used as a large family room, dining and entertaining space or simply a second sitting room, it gives the property a level of flexibility rarely found in a bungalow of this type.

The accommodation also includes four well-proportioned bedrooms, a kitchen, family shower room, entrance porch and useful rear porch/utility area. The bungalow is comfortable and ready to enjoy in its current condition, while still leaving plenty of opportunity for a new owner to make their own changes and enhancements over time.

The outside space is equally important. Generous wrap-around gardens extend around the side and rear of the bungalow, with established planting, mature shrubs and greenery giving the plot plenty of character. There is excellent scope to shape the gardens to suit individual tastes, whether retaining the established planting or creating more open lawn, seating and entertaining areas. To the front, a paved driveway provides off-street parking for multiple vehicles.

Longstone Close is a well-established residential setting within Beadnell, with the village shop within easy reach and the wider village and coastline close at hand.

For anyone searching for a bungalow in Beadnell where space is a priority, this property deserves particular attention. Four bedrooms, two substantial reception rooms, approximately 1,527 sq ft of accommodation and generous gardens combine to create a sizeable and versatile home with plenty to offer both now and for the future.

Viewing is highly recommended to properly appreciate the scale of the accommodation and the overall plot.
