Description

Set back behind a generous front garden with extensive off-street parking leading to a detached double garage, this outstanding Clarion Homes built detached residence has been beautifully transformed to create a truly impressive family home of exceptional size, style and quality.

From the moment you step into the grand reception hallway, the sense of space is immediately apparent. A striking turning staircase rises to a galleried landing above, creating a welcoming first impression and setting the tone for the accommodation that follows.

The main reception room is superbly proportioned, featuring dual aspect windows that flood the room with natural light, while the wood-burning stove provides a cosy focal point during the colder months. A second reception room offers further flexibility and is equally generous in size, complete with an extensive range of fitted storage to one wall.

Without doubt, one of the standout features of this exceptional home is the stunning open-plan family living space to the rear. Designed with modern family life in mind, this impressive area incorporates a stylish fitted kitchen with a feature central island, dining area and family seating space with media wall. Picture windows and tri-folding doors create a seamless connection to the rear garden, allowing natural light to pour in and bringing the outside in beautifully.

To the first floor, the sense of space continues with five well-proportioned bedrooms. The principal bedroom benefits from its own en suite shower room, while bedroom two also enjoys en suite facilities. The remaining bedrooms are all of excellent size and are served by a stylish family bathroom, with the bathroom and en suites all finished with matching contemporary suites for a cohesive finish throughout.

Externally, the rear garden is a fantastic size and enjoys a sought-after southerly aspect, making it the perfect setting for children to play, summer entertaining and al fresco dining.

A truly special family home, situated within a prime residential location, early viewing is highly recommended.
