Description

Being Sold via Secure Sale. Terms & Conditions apply. Starting Offers £875,000. A substantial grade 11* Barn conversion with 4969sq ft of living space. Huge living areas. Bespoke kitchen, family areas. Four double bedrooms, 3 bathrooms. approx ½ acre pot. Chain free...

A stunning and substantially proportioned Grade II* listed barn presented to a high specification and offers flexible living accommodation and ample entertaining space over three floors.

The entrance hall has a large bespoke kitchen with all integrated Bosch appliances including two dishwashers, two wine fridges, coffee machine, oven and warming drawer. In addition to the feature breakfast bar in the kitchen there are two seating areas either side of it.

The main living space is found on the ground floor and is naturally zoned by the original beam structure offering several different areas ideal for a variety of uses.

Opposite the main entrance to the barn are double doors leading onto the large rear courtyard garden.

At the other end of the ground floor, the bedrooms and bathrooms are situated which feels very separate to the living space. The principal bedroom has a dressing area, doors leading onto a patio area and en-suite bathroom with roll top bath and separate shower.

There are three further double bedrooms, two of which share a jack and jill bathroom and the other benefits from its own en-suite shower room. There is also on the ground floor a utility room and guest cloakroom.

A feature staircase leads to the first-floor level which has a large reception room offering a more cosy feel and benefiting from plenty of walk in eves storage. A further staircase leads up to the third level which has a study area ideal for home working.

Externally to the front, the barn is approached up a private gravel driveway which has parking for several cars. There are several seating areas on the decking to the front of the property with views overlooking a large pond. There is also a separate grass garden opposite the front of the barn.

To the rear of the property is a large patio garden accessible from several patio doors including the principal bedroom and the main living space.

It is important to note there is a large pond to the side of the property. Some noise can be heard from planes due to being on the flight path.
