Description

A well-presented and spacious two-bedroom split-level maisonette, arranged over the first and second floors of a purpose-built block and positioned on the edge of Richmond Park.

The property is in superb condition throughout and offers well-proportioned accommodation comprising two double bedrooms, a bright reception room, an eat-in kitchen, a modern bathroom and a separate WC. Large windows provide good natural light, while the split-level layout gives the property a greater sense of space and separation between the living and sleeping accommodation.

The maisonette is currently let under an Assured Periodic Tenancy, making it an attractive opportunity for an investor seeking an income-producing property in an established residential location.

Richmond Park is approximately a five-minute walk away via Roehampton Gate, providing immediate access to extensive open green space. Barnes Station, with direct services to London Waterloo, is the nearest railway station.

Parking is available on street on a first-come, first-served basis. Please note that the building does not have a lift.
