Description

We are pleased to present this extended 1930s semi-detached family home, offering generous and versatile accommodation arranged over three floors.

The ground floor provides flexible living space with a separate front reception room, a rear dining room opening into a family area, a useful cloakroom and an extended kitchen with views over the garden. The layout lends itself well to both everyday family life and entertaining.

To the first floor are three well-proportioned bedrooms and a family bathroom. The loft conversion creates a principal bedroom suite with en-suite shower room, offering a private top-floor retreat.

Externally, the property benefits from gardens to the front and rear. The rear garden extends to over 100ft and features paved seating areas, mature planting and a large purpose-built workshop with power and lighting, ideal for home working, hobbies or storage.

Village Way is conveniently positioned for Beckenham High Street, local parks and bus routes, with Eden Park and Beckenham Junction stations providing good transport links into central London. The area is also well served by a range of well-regarded schools.

Council Tax Band: E
