Description

****Being sold via Secure Sale online bidding. Terms & Conditions apply****

An excellent opportunity to purchase a spacious six-bedroom semi-detached house, offered for sale by auction and currently set up as a licensed HMO.

The property measures approximately 1,260 sq ft (117 sq m) and is arranged to maximise rental income, with six good-sized bedrooms, each with its own private en-suite. There are also two kitchens, making it practical and convenient for tenants, and the property is currently generating around £71,400 per year in rent.

The size and layout also give the property good potential for further improvement or extension in the future (subject to the usual planning permissions), which could increase both its value and rental return.

To the rear, there is a private garden providing useful outdoor space for tenants. It is easily accessed from the house and offers plenty of room for seating or general use.

The property is well located with good transport links nearby, as well as a range of local shops and amenities within easy reach, helping to ensure consistent tenant demand.

Overall, this is a solid investment opportunity with a strong income already in place and scope to add further value over time.

Off street parking at the front of the property, enough for 2-3 cars.

Please note we have not inspected the property.
