Description

An exceptional opportunity to acquire a substantial 4 bedroom detached country residence set within circa 8.2 acres of beautifully maintained grounds, including paddocks and equestrian facilities. The White House is a much-loved family home offering privacy, tranquillity and significant future potential, ideal for those seeking a rural lifestyle with excellent connectivity.

Positioned behind a gated entrance with a sweeping gravel driveway, the property enjoys a quiet and highly private setting with a stunning south-facing garden and open countryside views. The home has undergone significant upgrades in the last two years, including the installation of a new central heating system, a complete electrical rewire and brand new windows. These improvements greatly enhance efficiency, comfort and long-term value, while still allowing scope for a new owner to modernise and extend, subject to the necessary consents, and truly make the property their own.

The property is situated in Todstead, just outside Longframlington, enjoying a rural yet accessible position. Morpeth lies approximately 10 miles to the south and Alnwick approximately 14 miles to the north, both offering an excellent range of amenities. Morpeth in particular provides a wide selection of shops, restaurants, leisure facilities and healthcare services, along with highly regarded schooling. King Edward VI School in Morpeth is widely recognised as an outstanding senior school, while Dr Thomlinson's Middle School in Rothbury and Longhorsley First School are also held in high regard.

For those requiring excellent transport links, Morpeth railway station offers regular mainline services with direct connections to London King's Cross in approximately three to three and a half hours, Newcastle in around fifteen minutes and Edinburgh Waverley in approximately one hour and twenty minutes. Road access via the B6344 provides convenient connections to the A1, making travel throughout the region straightforward.

Internally, the accommodation is spacious and well laid out. To the ground floor it benefits from 2 good sized reception rooms and a kitchen breakfast all facing south, a study/snug or bedroom 5, cloakroom WC, utility room and pantry. To the first floor there are 4 double bedrooms, one with en-suite shower facilities and a family bathroom.

The property is well suited to equestrian use, with existing facilities including four stables, a tack room, a shelter and extensive grazing land ideal for horses. Additional external features include a summer house overlooking the front lawn and a useful shed positioned adjacent to the stables, offering views over a side garden area. A double garage with power and lighting provides further practicality and storage.

Overall, The White House offers a rare combination of space, privacy, lifestyle and potential. With its extensive land, equestrian facilities, recent upgrades and excellent location near Morpeth, it represents a superb opportunity for families, equestrian buyers or those seeking a peaceful rural retreat with strong connectivity
