The mainline train station is ideal for those who need to commute, with services running as far as London and Edinburgh.

The property itself briefly comprises; Entrance hallway, spacious lounge-diner, kitchen, family bathroom and WC, two double bedrooms, with an en-suite to the master, and one single bedroom. Externally the property benefits from a large plot with parking for up to six cars and a detached garage with the potential to be a workshop or studio, as well as a patio area, ideal for al fresco dining and a garden which is laid with lawn and lined with mature shrubs creating maximum privacy.
