EXCEPTIONAL END TERRACE HOUSE- STONE BUILT - PROMINENT SEA FRONT POSITION - FIVE BEDROOMS - SET OVER THREE FLOORS - THREE BATHROOMS - STUDY - INTEGRATED KITCHEN - PANORAMIC VIEWS - GARDEN - YARD - LARGE GARAGE - MUST BE VIEWED

Pattinson Auction offer for sale this exceptional stone built end terrace house situated on Windsor Terrace in Newbiggin By The Sea. In a prominent sea front position with panoramic views from St Bartholomew's church to the north, across to 'The Couple' statue in the East and down to 'The Needles Eye' in the south. Oozing with character and history - the property was one of the first dwellings built in the west end of the town and was originally one large house owned by the Sherrif of Newcastle to host local nobility. The building was then split to create two separate terraces, Seacliffe being the larger of the two.

Newbiggin By The Sea is a charming seaside town which is very much community focused and offers a good range of shops, leisure facilities, local primary school and regular organised events. The front garden at Seacliffe offers a prime spot to watch the world go by and perhaps spot a dolphin or two in the bay.

Warmed via gas central heating (combi boiler) and Upvc double glazed throughout with the exception of the two rear landing sash windows. The property has been very well maintained and offers spacious, comfortable living. Viewings are essential to appreciate the accommodation on offer.

Briefly comprising; entrance hallway, lounge, study, kitchen/diner, rear hallway and ground floor wet room. To the first floor the master bedroom/second lounge, two further bedrooms and bathroom. The second floor has two double bedrooms with Jack & Jill shower room. Externally to the rear an enclosed paved yard with side gate for access and a secure access door into the large garage with electric roller door. To the front a large tiered low maintenance garden with astro turf, patio and breathtaking unspoilt sea views. Steps leading down onto the promenade.

To arrange your viewing, please contact our Ashington Team who will be happy to assist.

Agents Note - The property has had extensive improvements externally costing in excess of £50,000. The front, side and rear elevations and the boundary side wall have been fully weatherproofed with lime mortar pointing and had weathered stones replaced. Further to this, any interior furnishings are negotiable upon request
