Description

Pattinson Auction are delighted to present 2 Bethany Row to the open market; a charming 2-bedroom property situated on the outskirts of Haverfordwest Town Centre.

The Property

Situated on Narberth Road, this two-bedroom mid-terrace home has undergone a comprehensive renovation that goes far beyond the surface. This property has been stripped back and modernised to an exceptional standard, including a full house rewire and a completely new plumbing system.

A standout technical upgrade is the installation of a new unvented (pressurised) water cylinder, ensuring high-pressure hot water is delivered consistently throughout the home - a significant upgrade over standard systems. Coupled with new double-glazed windows throughout, the home is now highly efficient and structurally prepared for years of maintenance-free living.

Ground Floor

The entrance opens into a bright, open-plan living and dining area, offering a versatile space for modern life. Toward the rear, the newly installed kitchen features a sleek, functional layout with an integrated oven. This level also benefits from the addition of a newly fitted ground-floor bathroom, providing excellent convenience for guests and busy households.

First Floor

The renovation continues upstairs with two well-proportioned bedrooms, both finished with new carpets and neutral decoration. A second modern bathroom serves the first floor, ensuring the property feels spacious and well-equipped for a variety of buyers.

Outside

One of the property's most surprising features is the deceptively large rear garden. It offers a private, quiet retreat with ample room for outdoor dining, gardening, or a safe play area. In such a central location, a garden of this size is a rare and valuable find.

The Location

Narberth Road is a practical and popular choice in Haverfordwest. You are within easy walking distance of the town's amenities, including the railway station, local schools, and the leisure centre. It also serves as an excellent base for accessing the stunning Pembrokeshire coast.
