Belvoir are delighted to present this exciting development and renovation opportunity.

This three-bedroom semi-detached property offers excellent potential for buyers looking to add value and create a home tailored to their own tastes. Significant improvements have already been completed, including a full rewire and the installation of a new gas central heating system, with a replacement boiler and radiators fitted within the last few years.

While the property would benefit from cosmetic modernisation, including the installation of a new kitchen and potentially replacement windows, it provides a solid foundation for further improvement.

Externally, the property boasts a generous rear garden and a detached garage, which benefits from a vehicle inspection pit, making it particularly appealing for motoring enthusiasts or those requiring workshop space.

The accommodation briefly comprises: entrance porch, living room, dining room, conservatory, kitchen, two double bedrooms, one single bedroom, shower room, private garden, garage and a driveway. .

Early viewing is highly recommended to appreciate the potential this property has to offer.
